

Help Your Child Spell Words

Your child can now spell some words! Now rather than making and reading words, you will say the word to your child and have him or her spell it.

Use the letter squares. Say a word. Have your child repeat the word. Then tap the sounds out together. After you tap the sounds, have your child find the letter that goes with each tap to spell the word.

Do two-three words each night.

Remember to have your child look in the sound notebook for help, as needed.
